Tailored Programmes

We are happy to customise programmes to suit your specific requirements and objectives.

Private Hotel Access

Dedicated use of the property can be arranged for events requiring privacy, subject to availability.

Wildlife Experiences

Discover Sandakan's rich wildlife through curated experiences such as orangutan sanctuaries and river safaris. Ideal as pre or post-meeting activities, these encounters add a meaningful nature-led element to any programme.

Team Building

Take meetings beyond the boardroom with team building activities set in nature. From outdoor challenges to guided trails and cultural experiences, programmes are designed to encourage collaboration and connection.

Trusted Partners

We work with trusted local partners to ensure smooth planning and reliable execution. From tour operators to facilitators, every partner is selected for their expertise and professionalism.
